Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Notice of Allowability dated April 26, 2005 includes an Examiner's Amendment that refers to an attachment dated April 14, 2005. However, there was no attachment accompanying the Notice. Applicants respectfully request a copy of the attachment to complete their record.

Based on the conversation with the Examiner, it is the undersigned's understanding that the attachment will be a re-printed copy of the specification that removes formatting irregularities resulting from the full justification, e.g. page 6, lines 6, 11 and 14. The Examiner's Amendment refers to correction of grammar and spelling mistakes. However, corrections of these types were not discussed during the telephone conversation. If any changes were made to correct such mistakes, the Examiner is respectfully requested to identify them, so that they can be reviewed by the Applicants.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
